

ANNUAL STATEMENT OF NEED 30-DAY SUBSTITUTE and DESIGNATED SUBJECTS CAREER TECHNICAL EDUCATION 30-DAY SUBSTITUTE TEACHING PERMITS

INSTRUCTIONS TO THE EMPLOYER

This statement of need must be filed at the school district office each school year when employing holders of Emergency 30-Day Substitute Permits. The employing agency will complete a single statement of need form (below) and retain the form at the school district office.

The form must be completed annually, indicating that either no credentialed person is available or that those available are not deemed qualified for substitute teaching and details of the circumstances that necessitate the use of emergency permit holders rather than fully credentialed teachers.

This statement of need form does not require listing specific employees or their positions. The form must be signed by the superintendent of the employing school district. It does not need to be co-signed by the county superintendent of schools.

A copy of the form does not need to be submitted to the county or the Commission with each Emergency 30-Day Substitute Teaching Permit application; however, the county superintendent of schools, whose responsibilities include areas such as district payroll or district substitute placement, may request a copy of the district's statement of need form to accurately fulfill these duties.

County superintendent of schools offices employing holders of the Emergency 30-Day Substitute Teaching Permit are also required to annually file, at their office, this completed statement of need form. The county superintendent of schools will sign the form.

The Commission does not require that the school board approve the statement of need. The individual school district may establish its own policy regarding this matter.
