

Single Subject Evaluation Worksheet for Variable Term Waivers

Name _____

Degree Major _____

Subject Requested _____

To qualify, individuals must have either a degree major in the subject area or at least 12 semester units of course work in the subject to be listed on the waiver. For a waiver in one of the science subjects, verify at least 12 semester units in science, with at least 9 semester units in the specific science area requested and an additional 3 semester units in any other science area. For a waiver in Foundational-Level General Science, an individual must verify a bachelor's or higher degree in science (does not include health science) or verify at least 12 semester units across the four science areas of biological science, chemistry, geosciences, and physics. A minimum of one course in each of the four areas is required.

For a waiver in Math, an individual must verify either a bachelors or higher degree in Math or verify at least 12 semester units in Math.

Check one:

Degree major in the subject area (no course work evaluation necessary). Waiver will be for CBEST only.

Course work evaluation completed (complete worksheet below)

All course work must meet the following criteria:

- Must be completed at a regionally-accredited college or university
- Must be baccalaureate degree-applicable (non-remedial)
- Must be earned with a "C" grade or higher ("Pass" and "Credit" grades meet this requirement)

Dept.	Course Number	Course Title	Semester Units	Quarter Units	Grade
