Number	General Program Question	Additional Context and Comments
1	Is your program on the semester, quarter, other, or another credit system?	Available options are: Semester, Quarter, Other, Not Applicable. Select "Not Applicable" if the program does not use the available options.
2	What is the number of units required for completion of the program?	The number of units for program completion does not include the number of units needed to earn a degree. It is the number of units required in order for newly enrolled candidates to complete all program requirements and be recommended for the credential or authorization. If the program does not operate in a unit-based environment, enter 0 for this question.
3	In months, what is the expected length of the program if the candidate is enrolled full-time?	The definition for full-time is at the discretion of the institution and the intent of the question is to understand how long, in months, it is expected to take for candidates to finish the program when enrolled full time. The Commission is interested in understanding how long, in months, it is expected to take for candidates to finish the program when enrolled on a full-time basis.
4	In months, what is the expected length of the program if the candidate is enrolled part-time?	The definition for part-time is at the discretion of the institution and the intent of the question is to understand how long, in months, it is expected to take for candidates to finish the program when enrolled on a part-time basis. If no candidates complete your program in a part-time process, enter 0 for this question.
5	What is the total number of hours of clinical practice required in this program?	Clinical Practice is the time the candidate spends practicing the knowledge and skills they are learning in the program. Preliminary candidates have a supervisor who oversees the candidate's clinical practice. See Common Standard 3.
6	What is the required minimum GPA for admission, if specified?	The required minimum GPA for admission into the program. Enter "0" if no minimum GPA is required for admission.
7	Out of all applications received, what percentage of applicants were admitted?	Calculate the number of applicants that were actually accepted out of the total received for the reporting year. It is at the institution's discretion on whether the percentage includes partial or only complete applications received.
8	What is the mean GPA of new enrolled candidates at program entry?	The mean GPA for the current cohort (new enrollees accepted into the program for the current reporting year). For induction programs or other programs that do not collect candidate GPA, enter "0.00" in the required field.
