

Credential Program Completer Survey Questions Clear Administrator Services

The California Commission on Teacher Credentialing (Commission) is interested in your views on the scope and quality of your administrator preparation program. Your participation in this survey will help improve the preparation of future administrators for California's schools and students. Thank you in advance for sharing your valuable insights.

Please note that this survey is not intended to be an evaluation of your competence, but rather an opportunity for you to tell the Commission what you think about the quality of the administrator preparation program you recently completed.

Informed Consent

Participation in this survey is voluntary but the information is very important to help improve the preparation of school administrators in California. The Commission will use this information within its quality review processes for accredited preparation programs.

Your decision whether or not to participate in the survey will not affect the processing of your credential application. Every measure will be taken to assure the confidentiality of your response; the Commission will not use your name or other identifying information when reporting the results.

Thank you for your time and your responses.

I. Performance Expectations for Leaders

The following set of questions contain administrator preparation program outcomes that each program is expected to achieve.

Development and Implementation of a Shared Vision

Please indicate the extent your preparation program helped you facilitate the development and implementation of a shared vision of learning and growth of all students.
